

Premier Contents Services

Elevated Service for
High-Net-Worth Policyholders

Your Private Client Group has unique needs and expects elevated service after a loss. Give them the dedicated service they deserve from specialists experienced in evaluating unique and expensive contents.

BENEFITS

Your Personal Contents Liaison
for High-Net-Worth Insureds.

Address Unique Contents

Your insureds have first edition books, custom furniture, artwork and more. Some things are replaceable and others irreplaceable. Access professionals who understand valuations and service for these special items.

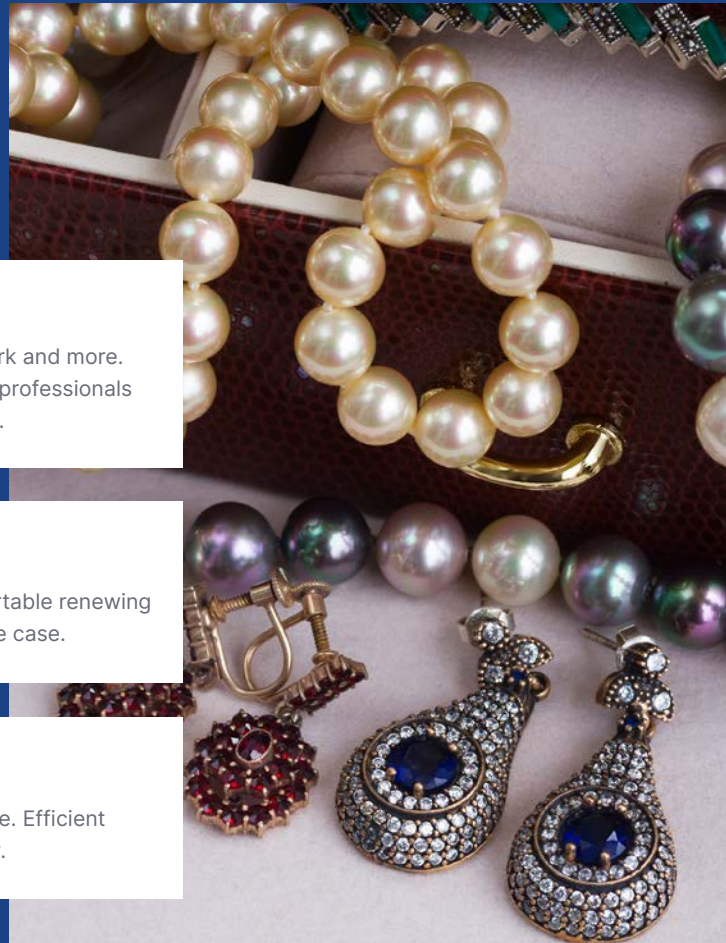

Increase Policyholder Satisfaction

Deliver an experience that leaves insureds relieved and comfortable renewing policies. Our people are professional and caring on every single case.

Close Claims Faster

Fulfill your indemnity promise while delivering high-level service. Efficient inventory and valuations help insureds return to normal quickly.

SERVICES

From Antiques to Artwork: Specialized Valuations.

- ✓ **Premier Contents Liaison**
Insureds work with a single point of contact dedicated to their schedule and availability. They can rest assured knowing the support and communication is tailored to their preferences.
- ✓ **Personal Property Inventory**
Our technicians compile accurate inventories on-site, documenting and automatically uploading all information to the database in real time.
- ✓ **Specialty Item Valuations**
Unique items like first edition books, antique furniture, artwork and jewelry are researched by experts to ensure the true value is associated with replaceable and irreplaceable contents.

Why choose Hancock Claims Consultants?

White-Glove Experience

Leave your insureds feeling great about the service received and maximize long-term retention by demonstrating your dedication to making them whole again.

One-Stop Shop

For carriers, delivering top-shelf service to Private Client Groups has never been easier. Press the "easy button" and Hancock Claims will deliver on every case.

Largest Trained Network

Our nationwide network of over 200 Premier Contents Specialists are trained and ready to serve your high-net-worth insureds across the country.
